

## **AMSC Becomes Authorized Provider of IACET CEUs** *Prestigious Authorization Demonstrates Commitment to High-Quality Lifelong Learning*

The International Association for Continuing Education and Training (IACET) has awarded AMSC the prestigious Authorized Provider status. IACET Authorized Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The recognition period extends for five years, and includes all CES courses offered or created during that time.

AMSC is proud of the Civilian Education System (CES) which educated over 14,000 students in fiscal year 2010 in Army leadership skills.

We are dedicated to educating future Army leaders forming the fundamental basis for professional and personal growth through academic excellence. Our new partnership with IACET is a demonstration of our commitment to lifelong learning and to ensure the highest possible standards are met for all of our programs.

In order to achieve Authorized Provider status, the AMSC team completed a rigorous application process, including a review by an IACET site visitor, and successfully demonstrated adherence to the ANSI/IACET Standards addressing the design, development, administration, and evaluation of its programs.

AMSC has pledged its continued compliance with the Standard, and is recognized as offering the highest quality continuing education for Army leaders.
